Summer Academy- You should have received CA summer camp flyers this week. Please send them back to school asap. Limited spaces available! If you have any questions, please call or email. There is one change for the Montessori sessions... Science week will be July 17th- 21st and Cooking week will be June 19th- 23rd.

The American Cancer Society is calling on all community members to participate in the annual Relay For Life of Port Charlotte on Saturday, April 29th at Port Charlotte High School from 10am-10pm. Our theme this year is Dr. Seuss. So, there is fun for the whole family. The Relay for Life movement is the world's largest fundraising event to save lives from cancer. Uniting communities across the globe, the event celebrates people who have battled cancer, remember loved ones, and take action for lifesaving change and research.

During Relay for Life events, members of each team take turns walking or running around the track or path. Teams participate in fundraising in the months leading up to the event. Relay for Life brings the community embracing their collective power to free the world from the pain and suffering of cancer.

Funds raised help the American Cancer Society provide free information and support for people facing the disease today, and fund cancer research that will help protect future generations.

Spring Picture Day: On April 25th, students should wear uniforms for class pictures. If your child would like an individual spring picture you can bring a change of clothes.

Teacher Appreciation Week

May 1st- May 5th

CAPA will be sending out a flyer in the next couple of days announcing the events for Teacher Appreciation Week. We wanted to give you notice that on Tuesday, May 2nd, we have scheduled our annual flower giving. Please bring in your flowers that morning. If you would like to help arrange the flowers for the teachers, you are welcome to help. In addition, your child can write some words on a card.
